

# FireLight® productquoting

## Quote Faster and More Efficiently

FireLight® Product Quoting is a multi-product comparative quoting solution that allows advisors and producers to easily access life and annuity product quotes, rates, fees, product and carrier information, underwriting guidelines, and more from a single carrier or multiple carriers, simplifying and accelerating the quoting and feature comparison process. With FireLight Product Quoting, advisors and producers can quickly and efficiently compare products and generate quotes for solutions that best support clients' needs, faster.

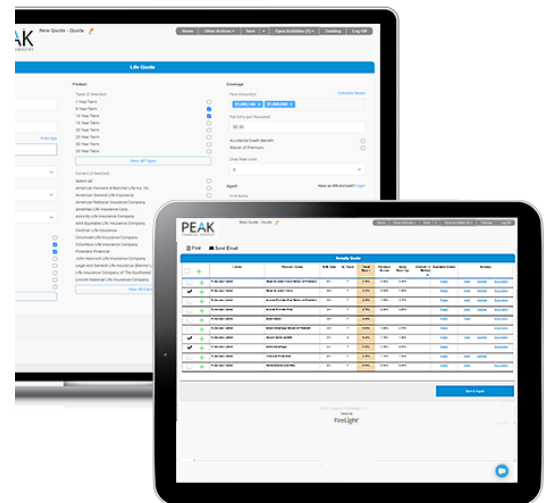

### FireLight Quoting

- ✔ Multiple Lines of Business and Product Types
- ✔ Product Guides, Disclosures, Documents and Underwriting Guidelines
- ✔ Needs Calculator
- ✔ Product Filtering
- ✔ Multiple Premium Payment Views
- ✔ Carrier Information Including A.M. Best Rating
- ✔ Multiple Face Amount Comparisons
- ✔ Customizable PDF Comparison
